55	norvasc generic equivalent	...Salvia 's a plant that produces a short lived halucination,and my no means is anything like pot,nor could it replace pot,and quite frankly isn't worth even taking,Through my

extensive reading I found that in Mexico and Central America, that Salvia was at times used by the priests during sacrificial times giving them the "power" to cut out a living heart, where Marijuana was later used to reverse those effects or generally relax the nerve-ridden priest... I personally wouldn't allow the use of Salvia in the military, having been in the military... pots totally different, I along w/ a lot others in Vietnam smoked plenty pot..... salvias really no good for anything... could be dangerous.... Don
